New Orleans Coffee Company created the cold-brewed coffee concentrate category in 1989. CoolBrew remains the most popular, most concentrated and thus the best value in coffee concentrates. CoolBrew's unique and identifiable bottle measures the optimal amount for a delicious and fresh cup of coffee every time. CoolBrew is available in 11 different flavors with 9 all natural varieties including 3 new Fair Trade Certified™ concentrates. Sold refrigerated (often near the milk and coffee creamers) with a 120-day shelf life, CoolBrew is available in 2 sizes: 500 ml (makes 16 drinks) and 1 L (makes 32 drinks).

CoolBrew is distributed via AWG, AG, Burris Logistics, KeHE and UNFI.
